

Steven McLean, M.D. FACEP
177 N Main St.
Clarkston MI

Hello neighbors!

My name is Steven McLean and I am asking for your vote for City Council. I am a 23 year resident of Clarkston and I have lived in the Historic District for the past 4 years. I am an Emergency Medicine physician and I have served as the Department Chairman as well as on the Medical Executive Committee for the past 5 years. I am very passionate about improving the care of patients. In my role at the hospital I have been involved with many committees and process improvement initiatives for the care of patients including the Covid-19 Incident Command Team. I am also Core Faculty for the Central Michigan University Emergency Medicine residency program where we are training tomorrow's future Emergency Medicine physicians. Finally, I am retired from the U.S. Air Force Reserve where I served our country for 4 years.

I am married to the love of my life, Leah, and we have 4 adult children: Sam, Emma, Lily, and Elijah. Leah and I adore our quaint historic Village and we are so grateful that we were able to move to Main Street 4 years ago. It was always a dream of ours to be able to restore a historic home and we treasure the magical energy at 177 N. Main St. We truly enjoy the ability to walk to town and meeting our neighbors along the way. You can often find me running the sidewalks of the Village or weather permitting, swimming from the Deer Lake beach while training for Ironman triathlon races.

I want to see us flourish as a welcoming community that is open, honest, and transparent. I have invested a lot in this community when we renovated our home and now I am willing to invest my time as I serve on city council. I humbly ask for your vote on November 2nd, 2021.

Sincerely,
Steve
