sion from its original 10,000-square-foot facility, which started out in the western part of the city with a staff of 12 and was the first research and development sponsored here by an industrial company after the war.

This original building now has been taken over by another research and development concern.

ment consern.

Not only has Federal-Mogul
xpanded its operations, but
the fruits of its experiments in
the old building have resulted
at the company opening a
mail new manufacturing unit
executly completed on the
outhern outskirts of the city.

ment ment.

The Wall Street Journal is the complete business DAILY.

Has largest staff of writers on business and finance. The only business paper served by all three big press associations. It costs \$24 a year, but you can get a Trial Subscription for three months for \$7. Just tear withing and attach check for Trial Subscription for three months for \$7. Just tear out this ad and attach clock for \$1. Just tear out this ad and attach clock for \$1. Just tear out this ad and attach clock for \$1. Just tear out this ad and attach clock for \$1. Ford Eyes Expansion In Brazil

Free Presidence News Service
SAO PAULO, Brasil—Henry
Food has just spent several
days in Brasil examining the
studying the possibility of expanding them.
Ford is the first major foreign industrialist, to show an
sage of the bill governing
foreign investments and limiting remittance of profits.
As a result of this bill and
was close to 60 per cent last
year, foreign in we st me nt se
dropped to 82 million in 1961.
IN AN INTERVIEW, Ford

DISTRICT AGENT WANTED

FIRST ECONOMY import with an American (Borg-Warner) automatic transmission is the 1963 Hillman Super Minx, which is offered in four-door sedan (shown), four-door estate car and convertible. The car has 62-horsepower, four-cylinder engine, disc brakes, bigger trunk, no lubrication points. The sedan is 5,1975 at East Coast ports. The automatic is \$199
